

FIGHTING FOR OUR FUTURE

The Problem

- Legislation, if passed, would be an existential threat to teacher unions. A union-busting bill.
- Prohibit payroll dues deduction
- Union decertified if below 60% membership
- Prohibit union work or materials at the workplace
- Restrict your right under the Florida Constitution to organize

The Solution

1. All members join the E-dues program:

- Safe, secure bank-to-bank direct deposit
- no credit card, No fees
- 19 or 26 pay periods
- Calculated on annual base salary

2. Increase union membership!

What's at stake?

- Our union & collective bargaining agreement
- Right to negotiate salary & working conditions
- Academic freedom, grievance process
- Tenure, rank, sabbatical, overload
- Office hours, number of days on campus & much, much more!

Solidarity!!
